

32:16 Duties and Authority of the Budget Committee. - In any town which has adopted the provisions of this subdivision, the budget committee shall have the following duties and responsibilities:

- I. To prepare the budget as provided in RSA 32:5, and if authorized under RSA 40:14-b, a default budget under RSA 40:13, IX(b) for submission to each annual or special meeting of the voters of the municipality, and, if the municipality is a town, the budgets of any school district or village district wholly within the town, unless the warrant for such meeting does not propose any appropriation.
- II. To confer with the governing body or bodies and with other officers, department heads and other officials, relative to estimated costs, revenues anticipated, and services performed to the extent deemed necessary by the budget committee. It shall be the duty of all such officers and other persons to furnish such pertinent information to the budget committee.
- III. To conduct the public hearings required under RSA 32:5, I.
- IV. To forward copies of the final budgets to the clerk or clerks, as required by RSA 32:5, VI, and, in addition, to deliver 2 copies of such budgets and recommendations upon special warrant articles to the respective governing body or bodies at least 20 days before the date set for the annual or special meeting, to be posted with the warrant.

32:17 Duties of Governing Body and Other Officials. - The governing bodies of municipalities adopting this subdivision, or of districts which are wholly within towns adopting this subdivision, shall review the statements submitted to them under RSA 32:4 and shall submit their own recommendations to the budget committee, together with all information necessary for the preparation of the annual budget, including each purpose for which an appropriation is sought and each item of anticipated revenue, at such time as the budget committee shall fix. In the case of a special meeting calling for the appropriation of money, the governing body shall submit such information not later than 5 days prior to the required public hearing. Department heads and other officers shall submit their departmental statements of estimated expenditures and receipts to the budget committee, if requested.

32:18 Limitation of Appropriations. - In any municipality electing this subdivision, or any district wholly within a town electing this subdivision, the total amount appropriated at any annual meeting shall not exceed by more than 10 percent the total amount recommended by the budget committee for such meeting. In official ballot referendum municipalities, the recommendation of the budget committee made for the first session of the meeting shall be used for determining the 10 percent limitation. These totals shall include appropriations contained in special warrant articles. Money may be raised and appropriated for purposes included in the budget or in the warrant and not recommended by the budget committee, but not to an amount which would increase the total appropriations by more than the 10 percent allowed under this paragraph. The 10 percent increase allowable under this paragraph shall be computed on the total amount recommended by the budget committee less that part of any appropriation item which constitutes fixed charges. Fixed charges shall include appropriations for:

- I. Bonds, and all interest and principal payments thereon.
- II. Notes, except tax anticipation notes, and all interest and principal payments thereon.
- III. Mandatory assessments imposed on towns by the county, state or federal governments.

32:19 Collective Bargaining Agreements. - Whenever items or portions of items in a proposed budget constitute appropriations, the purpose of which is to implement cost items of a collective bargaining agreement negotiated pursuant to RSA 273-A, either previously ratified or concurrently being submitted for ratification by the legislative body, or the purpose of which is to implement the recommendations of a neutral party in the case of a dispute, as provided in RSA 273-A:12, such items shall be submitted to the budget committee and considered in its budget preparation. Such

appropriations shall be submitted to the legislative body and shall include a statement of the governing body's recommendation and a separate statement of the budget committee's recommendation. If such appropriations were not recommended by the budget committee, then such appropriations shall be exempt from the 10 percent limitation set forth in RSA 32:18. The failure of the budget committee to recommend any portion of such appropriations shall not be deemed an unfair labor practice under RSA

32:22 Review of Expenditures. - Upon request by the budget committee, the governing body of the town or district, or the town manager or other administrative official, shall forthwith submit to the budget committee a comparative statement of all appropriations and all expenditures by them made in such detail as the budget committee may require. The budget committee shall meet periodically to review such statements. The provisions of this section shall not be construed to mean that the budget committee, or any member of the committee, shall have any authority to dispute or challenge the discretion of other officials over current town or district expenditures, except as provided in RSA 32:23.

32:23 Initiation of Removal Proceedings. - Upon receipt of the reports provided for by RSA 32:22, the budget committee shall examine the same promptly, and if it shall be found that the governing body or town manager have failed to comply with the provisions of this chapter concerning expenditures, a majority of the committee, at the expense of the municipality, may petition the superior court for removal as provided in RSA 32:12.

32:4 Estimate of Expenditures and Revenues. - All municipal officers, administrative officials and department heads, including officers of such self-sustaining departments as water, sewer, and electric departments, shall prepare statements of estimated expenditures and revenues for the ensuing fiscal year, and shall submit such statements to their respective governing bodies, at such times and in such detail as the governing body may require.

32:11-a Actual Expenditures for Special Education Programs and Services. - Each school district shall provide in its annual report an accounting of actual expenditures by the district for special education programs and services for the previous 2 fiscal years. Such accounting shall include offsetting revenues from all sources, including but not limited to, reimbursements from state funds, federal funds, or medicaid funds, private or other health insurance coverage, transferred special education moneys received from another school district, and any other special education resources received by the district.

32:8 Limitation on Expenditures. - No board of selectmen, school board, village district commissioners or any other officer, employee, or agency of the municipality acting as such shall pay or agree to pay any money, or incur any liability involving the expenditure of any money, for any purpose in excess of the amount appropriated by the legislative body for that purpose, or for any purpose for which no appropriation has been made, except as provided in RSA 32:9-11.

32:10 Transfer of Appropriations. -

I. If changes arise during the year following the annual meeting that make it necessary to expend more than the amount appropriated for a specific purpose, the governing body may transfer to that appropriation an unexpended balance remaining in some other appropriation, provided, however, that:

(a) The total amount spent shall not exceed the total amount appropriated at the town or district meeting.

(b) Records shall be kept by the governing body, such that the budget committee, if any, or any citizen requesting such records pursuant to RSA 91-A:4, may ascertain the purposes of appropriations

to which, and from which, amounts have been transferred; provided, however, that neither the budget committee nor other citizens shall have any authority to dispute or challenge the discretion of the governing body in making such transfers.

(c) A statement comparing all legislative body appropriations against all expenditures shall be deemed adequate for purposes of the records required by subparagraph (b), so long as every expenditure has been properly authorized and properly classified and entered and any expenditures exceeding the original legislative appropriations are offset by unexpended balances remaining in other appropriations, in which case the governing body shall not be required to designate the specific source of each transfer.

(d) Any amount appropriated at the meeting under a special warrant article may be used only for the purpose specified in that article and shall not be transferred.

(e) The town or district meeting may vote separately on individual purposes of appropriation contained within any warrant article or budget, but such a separate vote shall not affect the governing body's legal authority to transfer appropriations, provided, however, that if the meeting deletes a purpose, or reduces the amount appropriated for that purpose to zero or does not approve an appropriation contained in a separate article, that purpose or article shall be deemed one for which no appropriation is made, and no amount shall be transferred to or expended for such purpose.

II. As used in RSA 32:10, I(a)-(d), concerning transfers of appropriations and records thereof, ""purpose" refers, in addition to its meaning in RSA 32:3, V, to individual line items in whatever detailed budget or chart of accounts is regularly used by the municipality. The general wording of a vote adopting a budget or portion of a budget shall not be considered a ""purpose" to which an amount may be transferred. The definition of ""purpose" as used in RSA 32:10, I(e) shall be the definition of ""purpose" under RSA 32:3, V.

32:12 Penalty. - Any person or persons violating the provisions of this subdivision shall be subject to removal from office on proper petition brought before the superior court. Such petition shall take precedence over other actions pending in the court and shall be heard and decided as speedily as possible.
